Contractor Breakfast sponsored by Avista, Pipelines, NUCA, Kootenai and IEUCC councils was January 15th. The Master of Ceremonies, Presentations, Speakers, Door Prizes and Attendee bags were excellent. Thank you to Irvin Water's Glenn and Hayden and Spokane Co Rodney and Bryce for their extra help putting the 200 attendee bags together January 14th.

210 RSVPed and 160 attended. Another 20 would have liked to attend, but did not make the cutoff date for the Caterer. Maybe next year, we need a cancellation day for those of you that know you will not make it, so others on a waiting list can attend.

The Council will have access to the Buried Truth video shown at the Breakfast for the whole year.

Avista and the local Pipelines have approved hosting a booth at the AG Show February 4,5,6. The registration is paid. Avista and Pipeline personnel will host the booth.

Science Nights at Elementary Schools are starting again. Also DEMO days at Fire Depts.

We would like to set up a committee to have 15 to 20 minute speakers per 811 issues.

Frank Planton is retiring from OCC end of February. He plans to attend the IEUCC meeting on Feb 11th.

There were Field Problems discussed off the record. May have more info later

Meeting adjourned at 12:32 PM KB
