OCC tickets: 2023 July tickets 4120, 2024 4090, 2025 4839 with 79.5% as Itic. Thank you to all that enter their tickets through Itic, but with the 20% increase on the Call Center contract starting in July, the council needs everyone to enter their tickets by Itic so we reach 80% Itic participation, and it also would be more helpful, cost wise, if you do the mapping on the tickets.

Included with the minutes is OCC info about Ticket Talk per law changes. And I can send you a 45 item Power point info for the new law changes. kboykin@ieucc811.org
Most of the law changes went into effect end of July.

No new discussion about WA state new legislatively passed plan to charge Sales tax on Services. It will start Oct 1st. IEUCC will need to find out how that applies to its Services to members.

IEUCC will have a booth at the Spokane Valley Fire Dept Demo Day on Sept 20th.

Field Issues were off the record.
